see him in the 'hood!)

It's happening! Watch for new "Neighborhood Watch" signs going up throughout the 'hood in a couple of weeks! On June 8th, neighbors will go door-to-door to give you a "9th St. Hill" window cling for your car(s), tell you more about the watch, and find out YOUR thoughts about safety in the 'hood. Then, on June 12th, we'll get the final-final plans! Until then - please call RACHEL MORGAN (427-3834) or Jane Boswell (742-4388) if you have questions, suggestions or just want to help! Watch for a special flyer about THE WATCH prior to June 8th!

## Neighbor News

--- Our Neighborhood Association has **NO DUES!** For years we've figured folks will donate what they can when they can - and it seems to work out great that way! No pressure. No hard-sell. A big thank-you to all the neighbors who've already sent donations for 2008 and a (gentle) reminder to everyone else that we welcome donations anytime! (see form below) Your donations help the association with our community projects (luminaria, flag display), printing and mailings (like this newsletter), and about a thousand other little things which continue to help make this neighborhood a great place to live. Thanks for helping out! And by the way: your donations are **TAX-DEDUCTIBLE** under the IRS tax code since we are a 501(c)(3) not-for-profit organization. Thanks!

### ADDRESS SERVICE REQUESTED

--- Congratulations to **BEN & MELODI GRAMIG** on the birth of their first child, a son: **CALEB BENJAMIN GRAMIG** who was born April 18th...and everyone's just fine!

--- Neighbor **DOROTHY REIFENRATH** who sends a huge "thank-you" to all the neighbors for calls and cards and prayers. Dorothy is back home again and getting strong each day. Hooray, Dorothy! We're so happy you are better!

--- **Kendall Smith**, Director of the **Art Museum** sent us this note: "The Art Museum is getting a new roof. You may see workers from Central Roofing on our roof this week as we replace the flat roof with a tapered roof that will drain properly. Our board of directors voted to replace the roof which had standing water on it and had sprung a few small leaks over the winter. Our mission is to collect and preserve artwork for our community, so we continue to maintain our facilities so that we can continue to fulfill our mission." We all thank the **ART MUSEUM** for being such a good neighbor and sharing their great art and classes with all of us!!
